

We're proud to partner with the Breakthrough Junior Challenge video contest again this year. Enter for a chance to win a \$250,000 college scholarship.

To enter, create a short video explaining a challenging concept in physics, mathematics, or the life sciences in an engaging, illuminating, and creative way.

Anyone ages 13 through 18 is eligible to enter. The winner's teacher will receive a \$50,000 prize, and their school will get a new \$100,000 science lab. The winner will also be invited to an awards ceremony, where the prize will be presented in front of the superstars of science, Silicon Valley, and Hollywood.

Good luck, and we can't wait to see your videos!

Onward,
Sal and the Khan Academy team
